

The Clariq guides

One guide per person, written for the job that person actually does.

Nobody reads more than the one with their name on it.

App version	v0.7.43, 14 September 2026
Format	A4 to print, or read on a phone

Guide	Who it is for	Size
1. Running Clariq What the app does and does not do, setting up a customer, inviting well, adoption, and what is left before the first paying customer.	The Clariq principal and Clariq Admins	17 pages
2. Your first month with Clariq Sites and rooms, your people, scanning deliveries, the register, the audit walk, reports, imported chemicals.	The university administrator who owns Clariq	16 pages
3. Filling, sending and receiving Fill, dispatch, return, wash, inspect, labels and grades.	Warehouse operators	6 pages
4. Deliveries and collections Two buttons, scanned at the tailgate, and a card for the cab.	Drivers	5 pages
